

## Gloucestershire's Local Enterprise Partnership Board: Who's Who?

**BIS, the Government's Department of Business, Innovation and Skills has recently written to endorse the appointments to Gloucestershire LEP Board. Here are details of who is on our Board and how the County's various industry sectors are represented...**

The Gloucestershire LEP is structured with a **Board**, supported by industry **Sector Groups**.

A **Business Advisory Group** ensures that different sectors speak to each other. A **Business Membership Group** brings together groups such as the FSB, Chambers of Commerce, etc.

Finally, the LEP Board is also connected to **Leadership Gloucestershire** to ensure communication with public sector at the highest level.
